

Information on taking the exam (test) in epidemiology

April exam period 2022

The exam (test) in epidemiology for students of basic academic studies of medicine in English and students of basic academic and basic professional studies of health care in **April exam period** will be held on

Wednesday, April 6, 2022 at 12 o'clock (noon)

in **amphitheater 1 (A1)** at the Faculty of Medicine.

It is necessary for students to be in front of the amphitheater 1 (A1) **no later than 15 minutes before the scheduled start of the exam.**

Only students who fulfilled the pre-exam obligations in the subject Epidemiology have the right to take the exam. The exam is considered passed if the student answers correctly on minimum 42 questions on the test. **The exam lasts 1 hour and 30 minutes.**

NOTE: IMMEDIATELY BEFORE TAKING THE EXAM, STUDENTS ARE OBLIGED TO BRING A CORRECTLY COMPLETED EXAM APPLICATION FORM FOR TAKING THE EPIDEMIOLOGY EXAM, INDEX, CALCULATOR AND FELT PEN (blue or black).

IMPORTANT: Students who have canceled grade from the exam taken in the previous exam period are obliged to present the decision of the Dean, which allows them to cancel the grade and allows them to take the exam in the next exam period.

It is obligatory to wear a protective mask during the exam.
