

Information on taking the exam (test) in epidemiology - April examination 2022

The exam (test) in epidemiology for students of basic academic studies of medicine in English and students of basic academic and basic professional studies of health care in the April exam period will be held on **Wednesday, April 6, 2022 at 12 o'clock (noon) in amphitheater 1 (A1)** at the Faculty of Medicine.

It is necessary for students to be in front of the A1 designated for the exam **no later than 15 minutes before the scheduled start of the exam.**

Only students who fulfilled the pre-exam obligations in the subject Epidemiology have the right to take the exam. The exam is considered passed if the student answers correctly on 42 questions on the test. **The exam lasts 1 hour and 30 minutes.**

NOTE: IMMEDIATELY BEFORE TAKING THE EXAM, STUDENTS ARE OBLIGED TO BRING A CORRECTLY COMPLETED EXAM APPLICATION FORM FOR TAKING THE EPIDEMIOLOGY EXAM, INDEX, CALCULATOR AND FELT PEN (blue or black).

It is recommended to wear a protective mask during the exam.

The list of students who have applied for the exam will be published later.
