

**Date of the exam (test) in Epidemiology – January exam period
ac. yr. 2022/2023**

The exam (test) in Epidemiology for students of basic academic studies of medicine in English and students of basic academic and basic professional studies of health care in the January exam period will be held on

Monday, February 6, 2023

in two time-periods 16.00-17.30h (4pm – 5.30pm) and 18.00-19.30h (6 pm-7.30 pm)

in Amphitheatres A1 and A2 at the Faculty of Medicine.

The list of students who have applied for the exam and have met the requirements for taking the exam, as well as the precise time and amphitheater where they will take the exam, will be published later.

It is necessary for students to be in front of the classroom **no later than 15 minutes before the scheduled start of the exam.**

Only students who **fulfilled the pre-exam obligations in the subject Epidemiology have the right to take the exam.** The exam is considered passed if the student answers correctly on minimum 42 questions on the test. **The exam lasts 1 hour and 30 minutes.**

NOTE: STUDENTS ARE OBLIGED TO BRING A CORRECTLY COMPLETED EXAM APPLICATION FORM FOR TAKING THE EPIDEMIOLOGY EXAM, VALID STUDENT'S INDEX TO SHOW (if the professor's signature that demonstrates the fulfillment of pre-exam obligations is in the old index, please also bring the old one to show), CALCULATOR AND FELT PEN (blue or black).

IMPORTANT: Students who have canceled the grade from the exam taken in the previous exam period are obliged to present the decision from the Dean of the faculty, which allows them to cancel the grade and allows them to take the exam in the next exam period.

IT IS RECOMMENDED TO WEAR A PROTECTIVE MASK DURING THE EXAM.
